

Veterinary Evaluation Comment

The Testing Institute and Assessment Body
SGS Hong Kong Limited

SGS test results (report # HKTFD2202549500)

That the product

Dog Food (Chicken flavoured)_D1

Manufactured or distributed by **Meat The Next Company Limited**

Nutritional Content

- The crude protein content of this food well exceeds the nutrient requirement for dogs. The fibre content is mid-range, and the fat content is above the minimal requirement but well within the maximum tolerable amount. The Calcium and Phosphorus levels are correct.

Safety

- This product has been tested for bacteria that are commonly associated with food poisoning, and these were either not detected, or in the case of E.Coli, being <10cfu/g is low, rather than zero. The levels of heavy metals, Arsenic and Lead, were well under the levels considered to be safe.

Veterinary Advise / Recommendation

- This product has good safety characteristics and appears to be suitable as a complete diet.

Test performed: 20-May-2022 to 9-Jun-2022

Date of verification: 10-Jun-2022

Date of issue of the conformity letter: 21-Jun-2022

Next check due at the latest before: 1 year after date of issue of the conformity letter
