

Veterinary Evaluation Comment

The Testing Institute and Assessment Body
SGS Hong Kong Limited

SGS test results (report # HKTFD2202811707)

That the product
寵物抗癌強健粉

Manufactured or distributed by **Harmony Veterinary Medical Limited**

Nutritional Content

- This is a supplement and not intended to be a sole source of nutrition.

Safety

- This product has been tested for bacteria that are commonly associated with food poisoning, and these were either not detected, or in the case of E. Coli, being <10cfu/g is low, rather than zero. The levels of heavy metals, Arsenic and Lead, were well under the levels considered to be safe. Aflatoxin levels are lower than the levels permitted by the EU for human food.

Veterinary Advise / Recommendation

- This product has good safety characteristics for the potential contaminants that were assayed.

Test performed: 02-Jun-2022 to 14-Jun-2022

Date of verification: 23-Jun-2022

Date of issue of the conformity letter: 23-Jun-2022

Next check due at the latest before: 1 year after date of issue of the conformity letter
